TEACHERS -- WE NEED YOUR HELP!

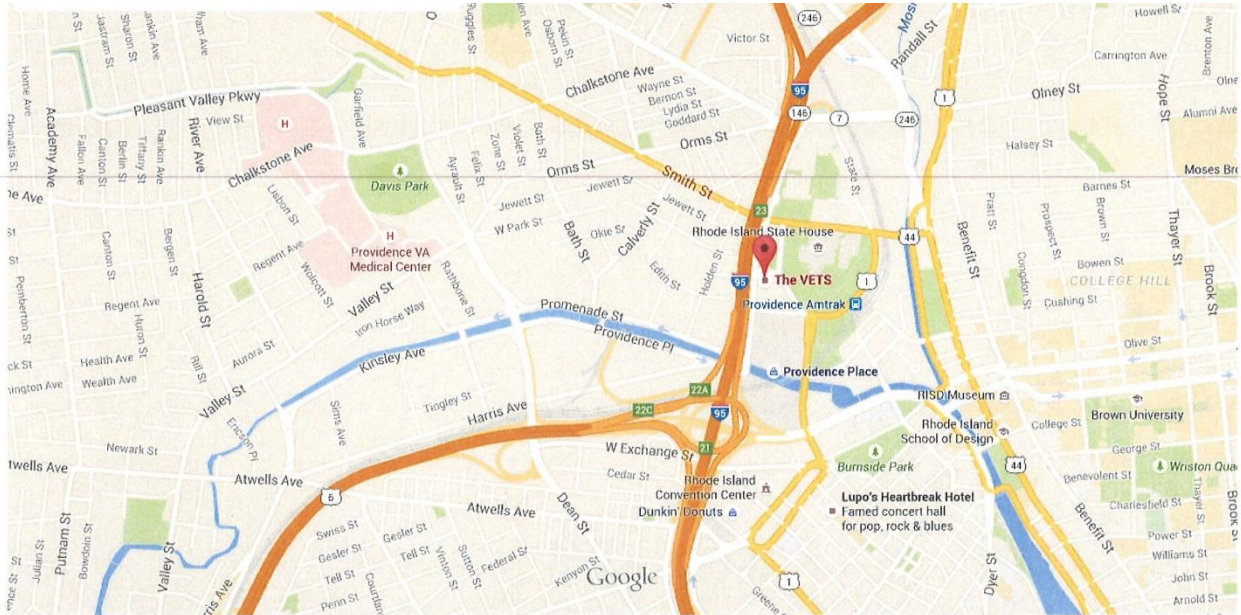

In order to make the theatrical experience as pleasurable as possible for your group and all others in attendance, we ask that you review the following with your colleagues, chaperones, and students at least one day before your trip!

1. Plan to arrive at least 20 minutes before curtain time. Doors open approximately 30 minutes before curtain time. **Please note that it may take about 45 minutes to dismiss the buses.**
2. Please inform your students that:
 - (a) **NO REFRESHMENTS OF ANY KIND** (including sandwiches, candy bars, potato chips, lifesavers, and especially GUM) are permitted in the theatre.
 - (b) **NO CAMERAS** or recording equipment of any kind are permitted inside the theatre. If a camera is brought in and you see a flash go off, immediately instruct the pupil to put the camera away.
3. Please make it your and your chaperones' responsibility to ensure that your children are on their best behavior.
 - (a) For many students, this performance will be their first experience with live theatre. They must know that, unlike movies and television, live performers are not able to "turn up the sound." Therefore, audience members must not talk during the performance and should wait until after the show to discuss or comment about it. Also, no running, shouting or whistling at anytime before, during, or after the show. Ushers may ask chaperones to remove disruptive children.
 - (b) The performance lasts approximately one hour and restroom and drinking fountain privileges during that time must be reserved for absolute emergencies only (and then, as always, children must be accompanied by an adult).
4. Seating at this location is on a first –come, first-served basis. Follow the instructions of the house staff at all times. PLEASE make sure that your children fill every seat, not leaving any empties between them.

THANK YOU FOR YOUR COOPERATION
