

Imagine you are visited by the Spirit of Christmas Past.
Write a memory that the Spirit would show you from your past.

Imagine you are visited by The Ghost of Christmas Present.
Write what you imagine others are saying about you when you aren't there. Remember to
choose a setting for this scene and a character who is talking about you.

Imagine you are visited by the Ghost of Christmas Future.

Write what people might say about you at the end of your life? Who will be there?

Will they have good memories or sad ones?

Write how you would act or what you would change if you got a chance to start a bad day over again.
